

# MOST ADVANCED ANC SPORTSBUDS

## NEXT GENERATION TRUE WIRELESS EARBUDS

Advanced True Wireless ear buds with 40 hours of on-the-go playtime, 6 microphones, wireless charging, Active Noise Cancellation and Advanced Transparency deliver thumping bass and crystal clear highs.

## FEEL THE BASS, EMBRACE THE CLARITY

With BlueAnt's signature sound tuned by Studio Engineers, the 8mm HD driver's deliver bass you can feel and highs that shine.

## ANC AND TRANSPARENCY

35dB of Active Noise Cancellation and Advanced Transparency, so you can block the world when you want to focus and hear your surroundings, when you need to.

## MORE POWER

Power through your week with up to 40\* hours of on-the-go playtime, and a wireless charging case for easy top ups.

## YOU ARE IN CONTROL

With simple one touch controls you can command calls, tracks, and volume with your fingertips.

## 6 MICROPHONES

Designed to provide outstanding call quality no matter what the conditions, it's an Epic conversation starter.

## READY FOR ANYTHING

IP54 rated water and sweatproof, the Pump Air Epic is designed to take sweat, rain, spills and can be your workout buddy no matter the weather.

## PERFECT FIT

With three sizes of ear tips and three sizes of stabilizers, the Epic provides the perfect fit even when your workout takes you upside down.
