Dustproof

THE BOULDER LANTERN

Connect to the extensive capability of the Boulder™ smart lantern and charging hub.

Light up the outdoors while charging up to three devices simultaneously with wireless and plug in charging ports. The ultra-bright **lighting is app enabled and offers dimming, color, strobe mode and much more.** Store your charging cable as well in the adjustable storage and charging cap. The Boulder is rated IP65 waterproof and can be easily hung with the adjustable anchor system.
