THE POWER TO DELIVER LONG-DISTANCE CONNECTIVITY

20% OFF
PARTNER BUY
PRICE

Receive **20% OFF*** D-Link Partner Buy Price on our
Long Range Wi-Fi 5 Wireless Bridge (up to 20km) - Pack of 2

The DAP-3712-2PK provides **reliable, long-distance connectivity between multiple sites** such as office branches, construction sites or transportation hubs, in both rural or busy city areas. Using proven Wi-Fi 5 technology with speeds of up to 867Mbps and it's easy to install design, the DAP-3712-2PK Long Range Wireless Bridge from D-Link's Business Solutions range offers a compelling connectivity solution versus expensive Fibre-based offerings.

High-Gain Directional Antenna

Fast, stable & long-range wireless coverage

TDMA Technology

High speeds & consistent coverage that filters out interference

IP66 Rated

Water-resistant & dust-tight housing boasts a longer product life

PoE Ready

Power over Ethernet makes for a cleaner installation

8kV Surge Protection

Your device & network are protected against unexpected surges, such as lightning

High-Speed Wi-Fi

Blazing speeds of up to 867Mbps

Wi-Fi Security

128-bit personal and enterprise wireless encryption

Durable, Industrial Design

Modest yet resilient design endures external conditions
