

Return Authorisation Request Form

Contact Name _____ Date _____

Company Name _____ Account Code _____

Address _____

Phone _____ Fax _____

Please make yourself familiar with the vendor information pages before completing this form. All items returned will be under review by the Returns Officer and does not guarantee that the return will be credited.

RA# issued is only valid for 14 days

Invoice No.	Dynamic Item Code	Serial No. (Hardware only) / Batch No. (Compat/Reman only)	Qty	Reason for return / fault description

TERMS AND CONDITIONS:

1. Please refer to the vendor information pages before filling in this form.
2. Freight on return goods will not be paid for by Dynamic Supplies and must be sent to our Brisbane, Melbourne, Perth, Adelaide Office or Sydney Warehouse.
3. A copy of the RA Authority Return Form with Dynamic Supplies' official RA number must accompany all returns or no credit will be issued. **DO NOT RETURN GOODS WITHOUT AN RA NUMBER.**
4. Defective products must be returned in the original cartons and with all original pieces, packing materials and relevant manuals and cables(if required), accompanied by a copy of the relevant invoice and RA form and number or credit will be denied.
5. Toner and Laser cartridges **MUST** have a sample of the print (**NO EXCEPTIONS**) or credit will be denied. Without this we are unable to process the return to the vendor of the product.
6. Once returned, defective items will be inspected and assessed for credit. Some items will need to be sent away to various vendors for assessment and will only be credited upon approval from the vendor. **NOTE:** you will have to re-order for a replacement.
7. All unwanted or incorrectly invoiced stock items must be returned 'un-opened' and in 'as new' condition with no writing, sticky tape or any other form of labels or markings on them or the credit will be denied and stock returned at the customer's expense. (**NO EXCEPTIONS**) **NOTE:** goods that have been opened but not used/ installed and/or goods that were invoiced by Dynamic Supplies greater than 60 days prior will not be accepted and the RA will be denied and where applicable stock returned at the customer's expense.
8. A minimum 10% restocking fee will apply to goods being returned where original fault of supply lay not with Dynamic Supplies.
9. All claims for shortages or claims of damaged goods can only be accepted if made within 2 working days from the date of delivery to you.
10. If product has been refilled, remanufactured or tampered with in any way the claim will be rejected and sent back at the customer's expense. (**NO EXCEPTIONS**)
11. Seal and secure all goods to ensure unbroken arrival without leakage or loss in transit.

- Seal and secure all goods to ensure unbroken arrival without leakage or loss in transit.
- These terms and conditions are subject to change without notice.

Vendor Return / Warranty Procedures

Consumables

Brother

Dynamic Supplies must send all faulty Item claims to Brother Australia for evaluation. To evaluate your return, Brother require a print sample, copy of the original tax invoice or proof of purchase and a print configuration report with all toner and drum returns. If Brother rejects the claim, a job sheet and the item will be returned to you with your next order. Thermal transfer rolls will be replaced only. Please note: This process may take up to 8 weeks to complete.

Canon

All canon items must weigh above the minimum return weight for approval. Canon ink cartridges will be tested and checked against the fault claimed. Our approval decision will be made based on the results of these tests. Canon toner cartridges must have a test page of the fault. If a test page is not supplied the claim will be rejected, as we cannot pursue the claim with Canon. All items will also be checked for refilling, remanufacturing and tampering. All of which will void any warranty the item may have.

Epson

All Epson inks have a 6-month warranty period from the date of the original invoice. Empty Epson cartridges will not be accepted for credit. Credits will only be issued for original Epson product being returned.

Fuji Xerox

Toners and Drums returned as faulty will be checked by our Fuji Xerox technician. Our technician will require specific information detailing what is wrong with the item a print sample of the fault is required, if insufficient information is given, the Fuji Xerox technician will reject the claim. The results of our technician's inspection will be used to determine whether the claim is accepted or not. Empty Fuji Xerox cartridges will not be accepted.

HP

Hewlett Packard will not accept any expired, refilled, or remanufactured ink cartridges. Ink cartridges will also be checked against HP's minimum return weights which can be found near the back of the returns guide. If a cartridge is below this weight, then HP will classify it as empty. To check the expiry date on HP ink cartridges, see the HP returns data page. HP toner cartridges will require a print sample of the fault and are tested under the same process as the ink cartridges.

Konica Minolta

Faulty Konica Minolta items must be returned with print samples and/or descriptions of the fault. Items will be weighed and tested for faults by our technician.

Kyocera

Dynamic Supplies will only accept back faulty Kyocera consumables. These will be weighed and tested for faults by our technician. For any D.O.A. or faulty hardware you must contact Kyocera directly on 13 59 62 for repair or replacement.

Lexmark

For all warranty issues in relation to Lexmark Inkjet and Laser supplies, the end-user should contact Lexmark Technical Support on Ph:1300 362 192, option 3 to confirm the product is faulty. If the fault is confirmed the end-user will be given a Job Number and referred by Technical Support to point of purchase for replacement.

Oki

For the quickest response to all faulty items the end user should contact the OKI Customer Service Satisfaction Centre on 1800 807 472 and follow the voice prompts to the Technical Support department. There the customer can discuss their issue with the Technical Support Team. If OKI deems the customers claim to be substantiated, then the customer will be directed to forward the faulty item to their nearest OKI representative for assessment. If the item is faulty, OKI will issue replacement stock. If the end user does not wish to deal with OKI directly then Dynamic Supplies can deal with this on your behalf but please understand this will take a little longer.

Panasonic

Fax rolls will not be accepted back as faulty items. If you have a problem with these items, please call the Panasonic service centre. Panasonic require the following information before accepting any Toner or Drum unit for assessment; a sample of what the products are doing, meter readings of when the toner/drum was installed and a reading of when it faulted. Panasonic are very strict with this and unless they have all three, they will not assess the goods. Dynamic Supplies has no option but to insist that these three items of information must be supplied to us with your Return Request or your claim will have to be denied.

Samsung

Toners and Drums returned as faulty will be checked by our Samsung technician. Our technician will require specific information detailing what is wrong with the item, if insufficient information is given, the Samsung technician will reject the claim. The results of our technician's inspection will be used to determine whether the claim is accepted or not.

Sharp

Toners and Drums returned as faulty will be checked by our Sharp technician. Our technician will require specific information detailing what is wrong with the item, if insufficient information is given, the sharp technician will reject

the claim. The results of our technician's inspection will be used to determine whether the claim is accepted or not.

White box

If you have a faulty White Box item, please inspect the cartridge for a batch number and supply that number when you fax through the completed return form. This is usually a sticker on the cartridge itself that states "batch number" and has two lines underneath it. Not all White Box items have a batch number sticker. If a batch number is found and supplied on the request form a credit can be given without the return of the cartridge. However, if a batch number cannot be found the cartridge must be returned to Dynamic.

Hardware

BROTHER

Brother Live Chat – www.brother.com.au/en/support

Brother Online Support Form - www.brother.com.au/en/contents/contact-technical-support

DOA PERIOD - 14 Days from date of purchase.

Brother has a live chat or support form for all end user product enquiries. The live chat or support form is the first place a customer should go to determine if their product is faulty. If the technical support department is unable to resolve the issue and it's within the DOA period, they will issue an "incident number" for the product. The product will then need to be returned to Brother along with the incident number for inspection of the goods and approval. If determined by Brother to be DOA the goods are replaced by the reseller or credited if that is what the end user wants.

CANON

RMA Claims/Reseller support: 1800 648 952

End User Print Assist: 1300 460 738

Canon have a technical support line for all end user product enquiries. The technical support line is the first place a customer should go to determine if their product is faulty. The end user can contact Canon Print Assist on Ph. 1300 460 738. The reseller can contact Canon RMA Claims/Reseller support on Ph. 1800 648 952. If the goods are determined to be DOA/ Faulty they can be replaced directly by Canon or credited / replaced via the reseller. The reseller then lodges an RA request with Dynamic Supplies. Dynamic Supplies organise for the collection of goods from either the end user or the reseller's location. Returned goods are to be accompanied with a copy of the end-user invoice / purchase documentation. Once a credit is received from Canon we in turn issue a credit to the reseller.

DYMO

Dymo Help Desk: 1800 633 868

www.dymo.com.au

All Dymo LabelManager and LabelWriter label machines have a 2yr warranty out of the box. The end user can also register the product online for an additional 1yr warranty.

Dymo will look after all technical support and warranty claims directly via the Dymo Help Desk.

EPSON

Epson Technical Support – Ph. 1300 361 054

DOA PERIOD - 14 Days from date of purchase by end user

Epson has a technical support line for all end user product enquiries. The technical support line is the first place a customer should go to determine if their product is faulty. The end user can contact the Epson technical support line on Ph. 1300 361 054. The DOA period is 14 days from the date the end user purchases the product.

RMA PROCESS

The process is as follows:

- The end user / reseller has to call Epson Technical Support on 1300 361 054. Epson will provide an incident number if they deemed the product to be faulty.
- End user to return the printer to either the reseller or Dynamic Supplies along with the incident number and end user proof of purchase. All components need to be returned in the original packaging. Any missing components will be charged at retail cost.
- Dynamic Supplies will raise a claim on Epson and be given a RMA #.
- Once the machine has been collected and checked by Epson, Epson will issue Dynamic Supplies a credit for the product.
- When the credit has been received by Epson, Dynamic Supplies will credit the product on the original invoice.
- If a customer requires a replacement machine it will need to be reordered.

HP / SAMSUNG

HP Technical Support – Ph. 13 10 47
DOA PERIOD – 14 Days from date of Purchase

HP has a technical support line for all end user product enquiries. The technical support line is the first place a customer should go to determine if their product is faulty. The end user can contact the HP technical support line on Ph. 13 10 47. The DOA period is 14 days from the date the end user purchases the product

RMA PROCESS

- The end user / reseller must call HP Technical Support on 13 10 47. HP will provide a case ID number & an HP authorisation letter if the product is deemed to be DOA.
- The reseller will provide Dynamic Supplies the ID number and Authorisation letter so that we can raise a Return Authorisation Number.
- Dynamic Supplies will then arrange for the collection of the printer. All components need to be returned in the original packaging. Any missing components will be charged at retail cost.
- Once the machine has been collected and checked by HP, HP will issue Dynamic Supplies a credit for the product.
- When the credit has been received by HP, Dynamic Supplies will credit the product on the original invoice.
- If a customer requires a replacement machine it will need to be reordered.

KYOCERA

Kyocera Technical Support – Ph.: 13 59 62
DOA PERIOD – 5 Days from date of Purchase

Kyocera has a technical support line for all end user product enquiries. The technical support line is the first place a customer should go to determine if their product is faulty. The end user can contact the Kyocera technical support line on Ph. 13 59 62. The DOA period is 5 days from the date the end user purchases the product. The goods are replaced directly via Kyocera.

When is RMA valid for application?

- DOA - A product sold to an end-user within five (5) days of the purchase date is found to fail or malfunction or has been damaged in Transit (DIT). The total page count of the product if applicable must not exceed one hundred (100) pages.
- When DOA is declared by an authorised Customer Service Personnel for an entry level product, the product may be exchanged with the end user directly instead of the end user returning the product through the Channel where they purchased the product from.
- Customer's Error. Under special circumstances, the Customer is liable for 20% Restocking Fee as Kyocera Mita Australia has a firm '**No Return Policy**' for products that are no longer required or ordered incorrectly.
- Shipping / Logistic Error and DOA will only be considered for Credit if claimed within ten (10) working days from the date of delivery

RMA PROCESS

- For all DOA related issues, Customers are advised to contact Customer Service on 13 59 62.
- Customer Service should try to resolve DOA issues satisfactorily with the Customer as follows:
- Over the phone If possible to verify and confirm if it is a DOA and organise for the return of the Customer product.
- To organise for a visit either by our Customer Service Engineer or Authorised Service Provider if necessary to confirm if it is a DOA and organise for the return of the Customer product.
- In both cases, Customer Service shall log a service call and provide this SV number to the Customer should they decide to follow-up on the progress of their request.
- When DOA is confirmed, the Service Controller shall be informed to update the service call in Service Alliance.
- The Service Controller shall liaise with the Branch Administrator to complete a [KMAUSF038 Returns Form](#) and organise for the return of the product to their respective Branch. (Note: Customer may not be required to complete the RA Form)
- The RA Request shall be authorised

Lexmark

Lexmark Technical Support – Email: austserv@lexmark.com / Ph. 1300 362 192, Option 3
DOA Period – 7 Days from date of Purchase

Lexmark has a technical support line for all end user product enquiries. The technical support line is the first place a customer should go to determine if their product is faulty. The end user can contact the Lexmark Technical Support line on Ph. 1300 362 192, option 3. The DOA period is 7 days from the date the end user purchases the product

RMA PROCESS

- Customer contact Lexmark Technical Support to lodge a service call (For Onsite Warranty)
- If Lexmark Technical Support is unable to resolve the issue, the customer will be offered a refund or replacement
- Replacement will be despatched directly from Lexmark stock to the end users location, in some instances, the faulty device will need to be collected from the Reseller or End User site.
- If a refund is issued, Lexmark will provide a Reference Number, which is to be provided to Dynamic Supplies to issue a credit

OKI

Technical Support (End-user) - Email: aus-support@oki.com / Ph. 1300 200 654
Technical Support (Reseller) - Email: aus-support@oki.com / Ph. 1800 807 472

OKI has a technical support line for all end user product enquiries. The technical support line is the first place a customer should go to determine if their product is faulty. If OKI deems the customer's claim to be substantiated, then the customer will be directed to forward the faulty item to their nearest OKI representative for assessment. If the item is faulty, OKI will issue replacement stock directly.

SHARP

RMA PROCESS

The process is as follows:

- The reseller is to contact the Dynamic Supplies returns department and we will issue you an RA# for the suspected faulty product.
- The product will then need to be returned to the Dynamic Supplies warehouse in full along with the original packaging and RA#.
- Sharp will collect the goods from us and have a technician check the product.
- If the goods are found to be faulty, Sharp will issue Dynamic Supplies a credit. Once we receive this, we will in turn credit the original invoice that the faulty machine was supplied on. If the product is not faulty, it will be returned to us and we will then return to you.
- If a customer requires a replacement machine it will need to be re-ordered.

Tech

Acer

Warranty – 1 to 3 years by model

Acer National Call Centre - 1300 723 926

Acer have a National Call Centre support line for all end user product enquiries. The National Call Centre support line is the first place a customer should go to determine if their product is faulty. The end user can contact the Acer National Call Centre by calling 1300 723 926. If the National Call Centre department is unable to resolve the issue and it's within the DOA period, they will issue an "incident number" for the product. The product will then need to be returned to Acer along with the incident number and copy of proof of purchase for inspection of the goods and approval. If determined by Acer to be DOA the goods are replaced by the reseller or credited if that is what the end user wants.

Adesso

Warranty - 12 months

Reseller's request a Return Authorisation Number on DS/DST website. You will need to supply a copy of the end user invoice along with a full fault description. Once RA has been issued the defective products must be returned in the original cartons and with all original pieces, packing materials and relevant manuals and cables (if required), accompanied by a copy of the relevant invoice and RA form and number or credit will be denied.

Asus

Warranty - 12 months - DOA Period – 14 – 30 Days by model from date of purchase.

End-User takes the faulty unit back to the Reseller/Retailer within the DOA

Period. Reseller/Retailer verifies the fault and applies for the DOA return on the ASUS SIP Online RMA Apply system. Please note: The ASUS SIP Online RMA Apply system is only available in Australia.

Upon acceptance of the DOA return, ASUS will issue a DOA RMA number. This number can be used to arrange the return of the product to DS/DST

Please complete a return request form to return the product, once the unit has been received and verified by DS/DST, credit will be issued for the approved claim.

Azio

Warranty - 2 Years

Reseller's request a Return Authorisation Number on DS/DST website. You will need to supply a copy of the end user invoice along with a full fault description. Once RA has been issues the defective products must be returned in the original cartons and with all original pieces, packing materials and relevant manuals and cables (if required), accompanied by a copy of the relevant invoice and RA form and number or credit will be denied.

Warranty - 12 months

Reseller's request a Return Authorisation Number on DS/DST website. You will need to supply a copy of the end user invoice along with a full fault description. Once RA has been issues the defective products must be returned in the original cartons and with all original pieces, packing materials and relevant manuals and cables (if required), accompanied by a copy of the relevant invoice and RA form and number or credit will be denied.

BlueAnt

Warranty - 12 months

If you have an issue with your BlueAnt product, and the product manual and FAQ are not helping to resolve the issue, please contact BlueAnt Customer Service team on care@blueantwireless.com detailing the issue you are experiencing.

BlueAnt aim to respond to all enquiries within 1-2 Business days.

Step 1.BlueAnt receives the Customer's email and clarifies whether the issue is a Connection issue or a Hardware issue.

Step 2.For Connection issues the customer will be guided through the connection process by the BlueAnt Team. Almost all such issues will be resolved at this point.

If the issue is still unresolved or a Hardware issue, BlueAnt will check the Customer's Proof of Purchase, that the device is in the Warranty period and then proceed to issuing a replacement device, if appropriate.

Step 3.BlueAnt may require the Customer to return the current BlueAnt device prior to the shipment of a replacement device.

Step 4.Devices found to be faulty will be replaced. Non-faulty devices are returned to customer.
