Animate Your World

PIXOO MAX

THE NEXT LEVEL PIXEL ART

Featured a 32x32 pixel size, the talented pixel artists can now create even more amazing pixel art designs. With an all new mountable design, we created more. This provides a new way for you to communicate with others, in a really fun way!

Why should you choose Pixoo-Max?

In-Car

New way to communicate with other drivers on the road

In-House

Decorate your house with stylish pixel art & lightings

In-Store

Promote your business with current discount & offers

In-Party

Pixoo-Max lighting reacts to the ambient music

In-Public

Compact and lightweight to pack to a public gathering

In-Box

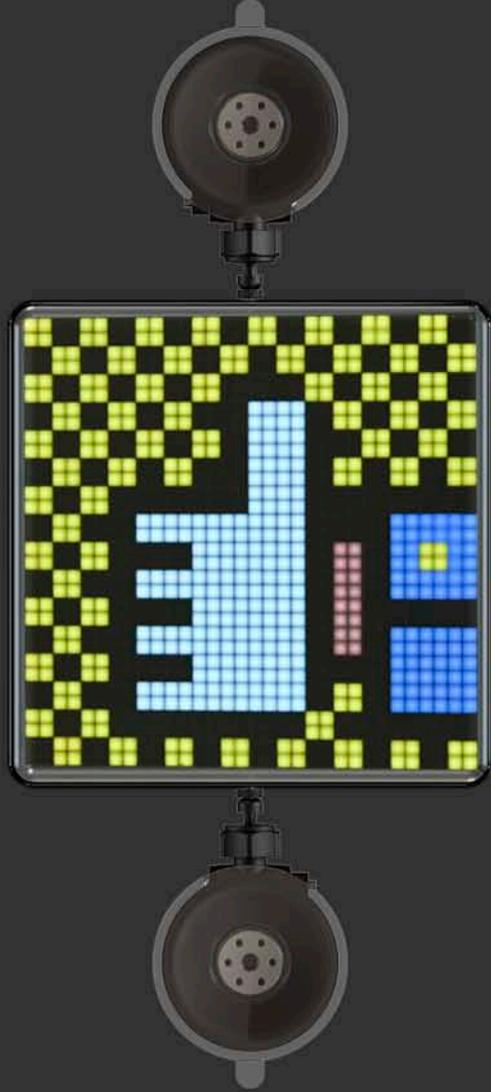

Pixoo-Max is an unique gift that provide many functions

Pixel art creation is so easy & fun!

With a 32x32 pixel panel, Pixoo-max offers a more vivid visual experience:

- Slide and draw
- Picture to pixel conversion
- Scrolling texts
- Animation
- Light effects

Mobile APP is routinely updated for improved user experience.

Smart Alarm Sleep Aid

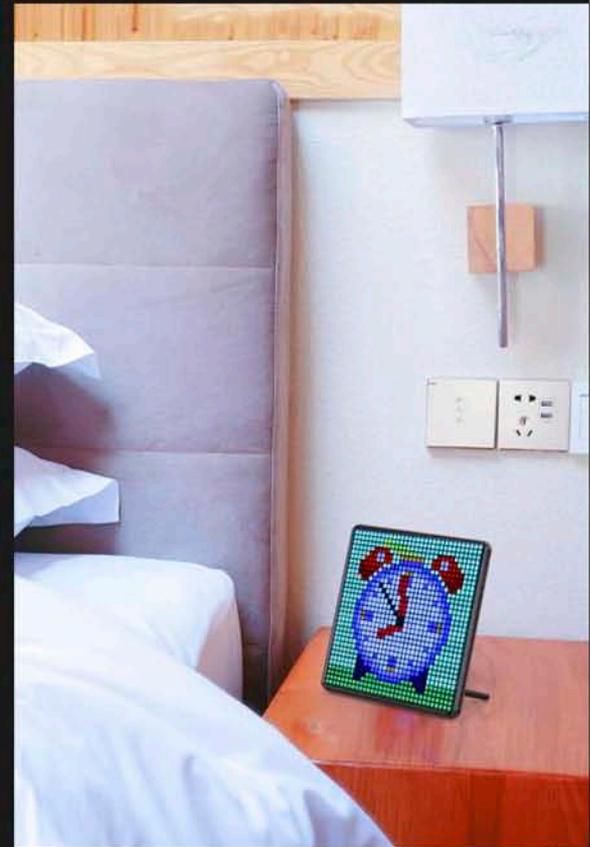

Pixoo Max is not your average lighting display. It also provides both alarm and sleep aid functions with its special calibrated lightings
